

LESSON YÁBLIⁿ

Stative Verbs
<S> Verb—"EMOTIONS"

As mentioned previously, some Kaá'ze Stative Verbs might be considered action verbs or adjectives in English. Most Stative Verbs in Kaá'ze Íe will answer the question "to be" or "to have." For example, this section will focus on "Emotion Verbs" such as **gízo**, which means to be happy. In Chapter 2, we covered **gízo, bakó, & yáli**. There are many more useful emotions to look at.

Other verbs such as **wéxli nè**, which means to have a headache will be covered in the next chapter.
